

DISCUSSION PAPER BRIEFING

You are invited to be briefed on the Victorian State Government's new Metropolitan Planning Strategy Discussion Paper, ***Melbourne, let's talk about the future.*** This document is the precursor to the replacement of *Melbourne 2030*.

Hear about the ideas presented in the Discussion Paper, insights for the delivery of this critical strategy and how you will be involved.

Join the discussion on some of the challenges and ideas for Melbourne's future including improving our liveability, transport and future employment needs.
