Glenn Owens,
Director Corporate Services,
Macedon Ranges Shire Council.
Glenn Owens (gowens@mrsc.vic.gov.au)

10 July, 2015

Dear Mr. Owens,

Thank you for your 24 June 2015 response to Macedon Ranges Residents' Association's submission to Council's 2015/16 draft budget.

I wish to advise that the Association considered your response, and invitation to meet with yourself and the Chief Executive Officer, at its meeting on 6 July, 2015.

The Association's view is that Council's response is disappointing and unsatisfactory. It does say very much at all and does not provide the answers and information sought by MRRA's submission.

We ask that the answers and information already requested in the Association's submission please be provided.

The Association would like to meet with you and the Chief Executive Officer after receiving a response to its submission which it considers to be satisfactory.

Yours Sincerely,

Christine Pruneau,
Secretary.
